

Dear Dr. Neuges & Family:

Warmest thoughts and best wishes for a wonderful Christmas season and a very happy new year.

~~Sincerely,~~

Al Smith

Dear Doctor:

Again I want to thank you for the wonderful new hip you gave me and subsequent followup care.

~~It is nice to live with a~~  
limited amount of pain in comparison to what I was used to.

Also your staff is exceptional and really appreciated all the courtesies extended.

Thanks again -

Al
