

Dear Mr. Bewick
Practice Administrator

I was honored to be chosen to be a spokes person for Dr. Michael Tracy. Yes, he did a reverse shoulder replacement on my left shoulder with great results. I could not be more pleased. I am now 5 months post-op and am just about pain free & able to move my arm with very little restrictions.

Please feel free to use my name & if you have any questions also feel free to contact me.

Sincerely,
Anne Corakito
