

2/3/14

Hi!

This is in regard to my operation
on 11/19/13. Dr. Henderson did a great
job to take away the pain due to
sciatica. I'm feeling really good about
having the procedure done including
the placement of the Co-flex. He is
a very caring person also.

Sincerely Linde Malt

P.S. Also my gratitude to the staff &
everyone throughout the preparation
to have the procedure done.
