Hi,

June 15th I had a  
OX Ford Partial Knee done by  
Dr Harry Schmaltz at G.C.M.C.

He gave me back my active  
life. I am 70 yrs old and walk  
at least 5-6 miles a day; No  
Problem with the left knee.

No swelling No Pain it just works.

Dr Harry Schmaltz is  
the best! I did all the  
prep work, the iron, folinic acid  
etc and the care at NEW  
Steps at G.C.M.C. was just  
outstanding!!

Thank you,  
D.R. Harry
