Scranton Orthopaedic Specialists

334 Main Street

Dickson City PA 18519

Dear Ms Bewick,

I was very pleased with my experience at Scranton Orthopaedic Specialists.

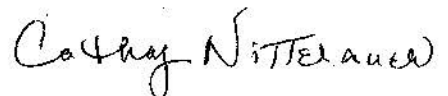

Dr. Tracy and Ashley were wonderful! They were professional, yet friendly and patient.

The surgery and outcome were just as they stated, although I think I did better than what was stated.

Everyone was very friendly, starting from when I walked through the door and checked in.

I would definitely recommend Dr. Tracy to family and friends.

Sincerely,

Cathy Nitterauer
