

Dear Ms. Bewick,

When I received your letter asking me to give you a testimonial about Dr. Christopher Samuik, I was really pleased.

I was very happy I chose your practice and especially Dr. Samuik when I realized it was time for my knees to be replaced because of arthritis. From the moment he walked into the room I knew I made the right decision. He greets you with a smile and a hand shake and makes you feel that you have known him forever.

My first surgery was to replace my right knee on June 22, 2015. He is very compassionate and made me feel at ease after my surgery and the weeks following with my rehab. After I finished my rehab in three months and went to see Dr. Samuik I asked him if he would be able to do my left knee and he said if I was up to it he said he would do the surgery and I had no reservations in saying yes. That surgery was done on Sept 28, 2015 and I am

so thankful he did it for me. I am still doing therapy and credit Dr. Samuik with my recovery. I have told anyone who asks me about Dr. Samuik and how wonderful he is.

The staff at SOS is very welcoming and friendly and I am pleased that I chose

your office and Dr. Christopher Samuels who
is a valuable asset to your office.

Thank you for all your support you
have given me.

Sincerely,

Evelyn Tully
